

How to View Final Grades

At the end of each semester final grades will be entered into the computer as the Registrar's Office receive them from the professors. After the grades are in the computer students will be able to see them.

- To see final grades the student will need to use WebAdvisor. Final grades are not posted on Moodle.
- Log into the ABU Portal* and go into WebAdvisor on the left side.
- Click on Academic Profile
- Click on Grades
- Choose the current term
- Click "Submit"
- To find the cumulative GPA and total credits are seen on the Transcript option.
- Students who need a paper copy of the grades, will need to submit a signed request. The form for this is available in the Registrar's Office.
- *The browser should not be Chrome or Safari or Window 10's Edge.
