Letter from the President

Dear Alderson Broaddus University Alumni and Friends,

In this season of gratitude, let me begin by saying thank you for all you have done.

It is not possible these days for a private University to excel without the generous support of its alumni, parents, and friends. Your gifts are partly the reason why Alderson Broaddus University has been named a first-tier South Regional College, ranking 26th overall, in the 2018 U.S. News & World Report Best Colleges Guide. This same guide also ranked ABU fourth in the Best Value School category among the same South Regional College group, which places us an impressive eleven spots higher in their overall ranking from a year ago.

Your gifts serve many important purposes, starting with scholarship opportunities that make a high quality, Liberal Arts education at Alderson Broaddus University accessible to promising students who otherwise could not afford to attend a private faith-based institution. This, along with the collective efforts of administration, faculty, and staff, and a strong Board of Trustees have made these opportunities and accomplishments possible.

Our most valuable resource, by far, is our students. We hold firmly and proudly to our mission of providing students with the highest quality education, striving to prepare students to succeed in their chosen disciplines, and then sending them out to fulfill their roles in a diverse society as well-rounded and responsible citizens.

We take pride in our students' successes in the classroom, the playing field, and their service to others. Your gifts not only provide scholarships, but also classroom upgrades, athletic experiences, as well as community service and mission opportunities for our students. We, and they, are grateful for what has been given.

Without your continued support, these achievements and accolades would not be possible. We are reminded every day of the integral role that your advocacy and support plays at Alderson Broaddus University. As we enter into this season of thanks, we offer our prayers for you, your family, and friends. May you all be richly blessed in the year ahead. Our commitment to you is to continue to be good stewards of your gifts as we move **Forward...Always...Forward...in Faith.**

In gratitude,

Dr. James "Tim" Barry
President

The Elkanah Hulley Society

Donors who make charitable planned gifts to Alderson Broaddus University may enroll as members of The Hulley Society, created by the Board of Trustees in 1994 in memory of an early Alderson Broaddus President, Dr. Elkanah Hulley.

Membership is bestowed upon donors who have remembered Alderson Broaddus University in their wills, who have designated the University as the beneficiary of life insurance policies, who have made gifts of real estate with retained life interest, or who have established life income plans such as charitable gift annuities or charitable remainder trusts.

Planned gifts often provide opportunities for individuals to make larger gifts during their lifetimes than they ever thought possible.

For more information about planned giving, please contact Interim Vice President for Institutional Advancement, Dr. James "Tim" Barry (304-457-6321).
