Letter from the President

Dear Alderson Broaddus University Alumni and Friends:

In the spirit of thankfulness, let me begin by expressing my appreciation for all you have done.

Because of your support, Alderson Broaddus has been able to live up to our mission of providing students with the highest quality education, while striving to prepare them to succeed in their chosen disciplines and to fulfill their roles in a diverse society as well-rounded and responsible students.

Just this year alone College Consensus has named AB Best College in West Virginia for 2018. U.S. News and World Report ranked AB in the Best in Regional College South and Best Value Schools as one of the top universities to offer students the best value, and The SR Education Group ranked AB as the Best Online College in West Virginia. These accolades would not have come our way without your support of the Annual Fund, Endowed Scholarships, and in response to other fundraising efforts.

Our focus is and always will be on the students and their success in the classroom, the playing field, and their service to others. Seeing current students on campus reminds me of the integral part your advocacy and support plays in their daily lives here, because it is your gifts that provide them with financial assistance, classroom upgrades, performance and athletic experiences, as well as mission opportunities.

It is also in the spirit of thankfulness, that I have humbly accepted the post as the tenth permanent President of Alderson Broaddus University. The University's Strategic Decision-Making Model has been developed with three priorities: Expand Academic Programs, Grow Enrollment, and Increase Organizational Efficiency. Our long-term priorities will be clarified and a process of charting a course based on long term goals associated with shorter term plans is all part of the Strategic Decision-Making Model.

I look forward to five years of continued work with the Board of Trustees and Governors, administration, faculty, and staff of this remarkable institution as we move ***Forward...Always Forward...in Faith.***

On behalf of Alderson Broaddus University, please allow me to offer not only our thanks, but our prayers to you and your family. Our commitment to you is to continue to be good stewards of your gifts and to keep you apprised of news and events at the University.

In gratitude,

A blue ink signature of Dr. James "Tim" Barry, written in a cursive style.

Dr. James "Tim" Barry
President

The Elkanah Hulley Society

Donors who make charitable planned gifts to Alderson Broaddus University may enroll as members of The Hulley Society, created by the Board of Trustees in 1994 in memory of an early Alderson Broaddus President, Dr. Elkanah Hulley.

Membership is bestowed upon donors who have remembered Alderson Broaddus University in their wills, who have designated the University as the beneficiary of life insurance policies, who have made gifts of real estate with retained life interest, or who have established life income plans such as charitable gift annuities or charitable remainder trusts.

Planned gifts often provide opportunities for individuals to make larger gifts during their lifetimes than they ever thought possible.

For more information about planned giving, please contact Interim Vice President for Institutional Advancement, Dr. James "Tim" Barry (304-457-6321).

DAY

ALDERSON BROADDUS UNIVERSITY

AB's third annual Giving Day fundraising event is coming up April 5, 2019 so please **SAVE THE DATE!** Giving Day is a one-day, online event to raise support for scholarships.

An AB scholarship ensures that all students have access to the highest quality of educational and extra-curricular opportunities the university has to offer. Gifts of all sizes make a big impact. Your gifts make tuition costs more affordable, provide essential classroom and campus resources, and aid students to study abroad and participate in internships.
