September 18, 2020

Campus Community:

Over the last couple of days, we have had 3 students test positive for COVID-19. If we are to prevent the spread of COVID-19 on our campus, it is vital that we all **strictly adhere** to the guidelines, particularly those asking us to **wear face coverings and keep socially distanced**.

Here is another reminder of what we should each be doing:

- Monitor your health and notify someone on campus and/or seek medical attention if you have symptoms.
- Keep 6 feet of social distance between yourself and others (both on and off campus).
- Wear face coverings (masks or shields) when inside any University facility except while inside your assigned residence room, while alone inside your office, or while eating in the dining room or other designated areas.
- Wear face coverings (masks or shields) outdoors whenever it is not feasible to maintain physical distancing of 6 feet or more.
- Agree not to host any off-campus guests.
- Agree not to host or attend in-person social gatherings, particularly when social distancing is not possible.
- Limit personal travel and remain in the Philippi area as much as possible; when traveling, comply with all local, state, national, and University travel guidance.

Sincerely,

Bruce A. Blankenship  
COVID-19 Response Coordinator  
Assistant to the President for Special Projects
