

Alderson Broaddus University 2021-22 Verification - Dependent V1

Your student aid application was selected for review by the U.S. Department of Education. AB is required by federal law to compare your application with information on this worksheet and with your **2019 federal tax documents**. This includes you and your parents' information.

Once complete, necessary corrections will be submitted to the Central Processing System and you will receive an amended Student Aid Report (SAR) including required adjustments to your Expected Family Contribution (EFC). It is possible that Verification can change your financial aid award. FAO will contact you when the process is complete.

The Financial Aid Office (FAO) encourages you to **complete verification immediately as, by law, your financial aid cannot be transmitted to your student bill until verification is complete**. AB **priority deadline** for completing the verification process is **May 31, 2021**. Completing the process after this date may result in ineligibility for certain types of financial aid.

The **final deadline** to complete the verification process is established by the Federal government and published in the Federal Register on an annual basis – www.federalregister.gov/.

IMPORTANT: YOUR FINANCIAL AID IS ON HOLD UNTIL VERIFICATION IS COMPLETED!
WARNING: VERIFICATION RESULTS MAY AFFECT YOUR FINANCIAL AID
